THE CHALLENGE

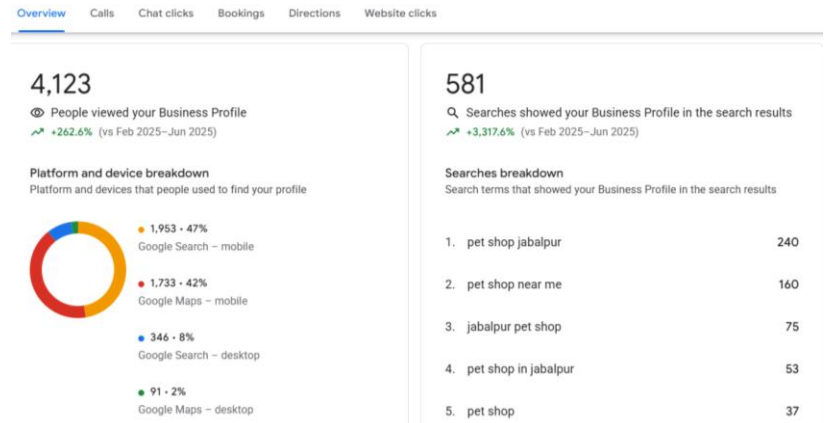

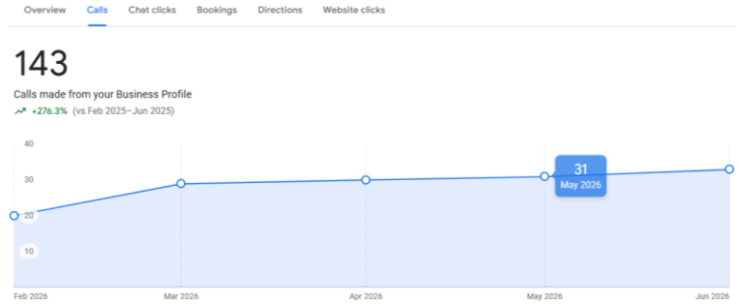

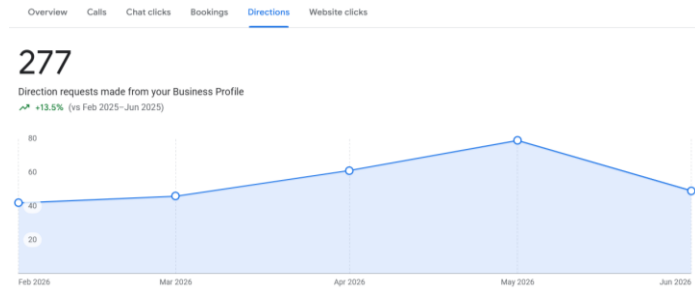

- Business Profile was suspended when we took over the account — starting visibility was effectively zero.
- No consistent posting, category or listing hygiene in place before our engagement.
- Local competition already ranking ahead for high-intent "pet shop" searches in Jabalpur.

WHAT WE DID

- Recovered the suspended listing and rebuilt it with fully consistent NAP, categories & hours.
- Ongoing, month-on-month optimisation — posts, photos, Q&A, review responses.
- Kept the profile active and compliant to sustain ranking, not just achieve it once.

6-MONTH GROWTH

WHY IT MATTERS

- Every metric moved together — views, searches, calls & directions all trending up, not just one number.
- +276.3% growth in calls shows visibility is converting into real customer contact.
- +3,317.6% jump in search appearances confirms the profile now surfaces for far more relevant local searches.
- Recovered from a suspended listing to a Top 3 local ranking within the engagement period.
